We source from small family farms and closely managed cooperatives!

Laoshan Green, Shandong - A savory tea grown alongside soy plants to distract pests and to provide a natural fertilizer!

Dragonwell, Zhejiang - A legendary tea from Longjing village that is brightly energizing and filled with minerality

Qilan Oolong, Wuyi, China - This tea has amazing chi, or energy. Cultivated in higher elevation plots interspersed with bamboo and native plants and only watered through natural irrigation

Laoshan Black - Grown and processed organically by the He family featuring notes of chocolate and malt. Very low in tannins!

2019 Sheng Pu-erh Tea, Yunnan, China - Harvested from wild tea trees in a protected tea forest in Qianjiazhai, and cared for by the Dongsu Cooperative

Herbal Teas - our organic caffeine free teas are hand blended by us!

Wisdom Goddess - *focusing* - gotu kola, holy basil, eleuthero

Chai - *digestive + warming* - ginger, cinnamon, green and black cardamom, peppermint, black pepper

Earth Goddess - *detoxing + clearing* - dandelion root, chicory, licorice root, sarsaparilla, peppermint

Mountain Mint - *bright + refreshing* - from our own garden!

Chamomile - *relaxing* - organic chamomile tea is perfect before bedtime!
